

SmartspaceTM

Smart Thinking

Inspired by the dynamic needs of today's workspace, Smartspace benching is simple yet brilliant. Technology runs through the hidden center trough along the underside of the bench, allowing for a cleaner aesthetic. Smartspace provides modern work settings from corporate to learning while balancing conversations and privacy in one application.

Smartspace: Platinum Paint | Loft Laminate | Appoint Walnut Fabric Screens Adept: Surf | Inertia

Maximize Space

Teamwork has never been easier with our thoughtfully designed Smartspace. Individuals in the workplace no longer feel isolated behind big walls. Employees possess the need to be seen and heard, and now they can be, without even leaving their workspace.

Smartspace: White Paint | Harvest Laminate | Sarto Reef Fabric Screens Adept: Mulberry | Inertia

Details

Integrated power trough with wire management

Coordinating storage

Height-Adjustable memory control

Quick assembly, quick add on

Privacy screens

With greater flexibility and smarter technology, Smartspace benching not only saves floor space, it is also versatile. Adding the integrated height-adjustable base will help boost employee activity and increase a collaborative work environment.
